

Preservation Fund Grant Information

Texas Dance Hall Preservation (TDHP) is pleased to offer a matching-grant program for the restoration or renovation of historic Texas dance halls.

Who Can Apply

Grants can be awarded to any public or private non-profit organization that is the owner or lessee of an eligible dance hall. To be considered a “dance hall”:

- The building must have been used for community dances at some point in its history; it is not required to currently be in use for dancing, although we prefer to award grants to halls that are available for use by the community, rather than used for storage or other non-public functions.
- A dance hall may be a freestanding building or part of a larger building (e.g., on one floor of a multi-story commercial building).
- The hall must still include a wooden dance floor and a stage or other designated area for bands.
- The hall may include a bar, kitchen, and eating area, but the hall’s primary use must have been as a dance hall or community hall, not as a restaurant or bar.
- The hall must be largely intact; it cannot be a ruin or partially destroyed.

To be eligible for this grant, applicants must have a current tax-exempt status determination letter from the IRS. Any 501c organization may apply. (Unfortunately, due to IRS rules, we are not allowed to make cash grants to for-profit organizations. TDHP provides other services, including technical assistance, to those halls.)

This is a \$1-to-\$1 matching grant. Applicants that have the matching funds in hand prior to submitting this application receive an extra point in the scoring process.

Applicants are encouraged to become members of Texas Dance Hall Preservation. Current TDHP members receive an extra point in the scoring process.

Eligible Projects

This grant program is limited to building condition assessments (by qualified building professionals such as architects or structural engineers, which result in written reports) and building repairs/updates. Grants are usually \$2,500 or less.

(continued on next page)

All projects must meet the Secretary of the Interior's Standards for the Treatment of Historic Properties (<https://www.nps.gov/tps/standards.htm>); we are available to discuss plans with applicants in advance, to help make sure that this requirement is met. We may consult with the Texas Historical Commission for additional guidance, if needed.

Work that has been completed is not eligible for this grant program.

If you receive a grant, the project must begin within three months after receiving grant funding and must be completed within 12 months.

Once the project is complete, grantees must submit a Final Report showing the finished work. Please plan to take in-progress photos during the project. See Final Report Instructions for further details.

Submitting the Application

Applicants may submit proposals at any time. Complete applications will be reviewed twice a year. A complete application must be received by March 1 for consideration in the Spring, and by September 1 for consideration in the Fall.

Applications may be submitted on paper or electronically. Your application must be postmarked or emailed by the deadline in order to be considered at the next board meeting.

To submit an application via email, send all materials to admin@texasdancehall.org.

To submit an application via mail, send all application materials to:

Texas Dance Hall Preservation, Inc.
3005 S Lamar Blvd, Ste D-109 #315
Austin, TX 78704

Application Selection and Notification

Once we receive your application, TDHP will review it and let you know if we need more information in order to consider your application complete.

A committee of the TDHP Board of Directors, with assistance from the Executive Director, will consider all complete grant applications on a quarterly basis. Please be aware that we are likely to receive more applications than we can fund. Priority will be given to emergency and/or critical repairs.

(continued on next page)

TDHP will use a pre-established scoring system to rank grant applications. We will try to make grants to as many applicants as possible. As a result, any specific application may not be fully funded by this grant program. TDHP will let you know if grant funds are to be applied to a specific portion of the project.

If your proposal is not selected, you may re-apply by submitting a letter informing us that you wish to re-use the same application or, if the proposal has changed, by submitting a new application. Organizations receiving grant awards will be notified in writing by letter, as well as by email if an email address is provided.

Thank you for providing this information. We will not share this information with anyone else, but it will help us understand how similar projects might work in the future, and that will benefit your fellow dance hall owners.

1. When did the work begin, and when was it completed?

Start Date: _____ End Date: _____

2. How much did the project cost? Was this more or less than your budget?

3. Did you encounter any obstacles? If so, what were they?

4. Would you do anything differently, if you had to do this again?
